## GENERAL CONDITIONS

1. Aiken County reserves the right to award proposals received on the basis of individual items, groups of items, or the entire list of items; to reject any and all proposals; and to waive any technicalities.
2. If price is used as award criteria, unit prices will govern over extended prices.
3. **In case of a tie, preference shall be given to Aiken County vendors. In case of a tie where there is no local offeror, preference shall be given to South Carolina vendors. In every case, Aiken County reserves the right to make awards deemed to be in the best interest of the County.**
4. The Evaluation of the proposals and the determination as the equality of the product offered is the responsibility of Aiken County, and will be based on information furnished by the offeror in the proposal.
5. Unless otherwise indicated in the proposal notice, prices must be firm, and remain in effect for ninety-days (90 days).

6. Should the scope of the proposal include brand name items, the brand name is used for reference only. It is the responsibility of the offeror to provide documentation that proves the equality of the item in the offer.
7. Aiken County is subject to sales and/or use taxes per South Carolina law. Price proposals should include sales and/or use tax as indicated. Sales and/or use tax will not be used as a factor in determining the lowest price. Shipping charges, however, will be considered as a factor in determining awards.
8. Samples of any articles deemed necessary shall be furnished free of any cost to Aiken County. These samples may be retained for future comparisons. Any samples not destroyed by testing or not retained for comparisons will be returned to the offeror at the offeror's expense upon request.
9. Aiken County does not assume responsibility for any costs incurred during the preparation of this proposal.
10. The successful offeror shall indemnify and hold harmless Aiken County, its officers, agents, and employees, from all suits or claims of any character brought by reason of infringing on any patent, trade mark, or copyright, to the extent allowed by law.
11. In case of default by contractor, Aiken County reserves the right to purchase any or all items/services in default in open market, charging the contractor with any excess costs. Periods of performance may be extended if the facts as to the cause of delay are justified in the opinion of the proper Aiken County officials.

#### **GENERAL PROVISIONS**

1. **ORDER OF PRECEDENCE:** In the event of inconsistency between the provisions of this solicitation, the inconsistency shall be resolved by giving precedence in the following order: (A) Aiken County Code of Laws, Chapter 2, Article VIII, (B) The proposal schedule, (C) General Provisions, (D) Instructions to Offerors, and General Conditions, (E) Other provisions of the contract whether incorporated by reference or otherwise, and (F) the Scope of Work.
2. **S.C. LAW CLAUSE:** Upon award of a contract or Purchase Order under this proposal, the person, partnership, association, or corporation to whom the award is made must comply with the laws of South Carolina that require such person or entity to be authorized and/or licensed to do business in this state. Notwithstanding the fact that applicable statutes may exempt or exclude the successful offeror from requirements that it be authorized and/or licensed to do business in this state, by submission of this signed proposal, the offeror agrees to subject itself to the jurisdiction and process of the courts of the State of South Carolina, to all matters and

disputes arising or to arise under the contract and performance thereof, including any questions as to the liability for taxes, licenses, or fees levied by the State.

3. **EXCUSABLE DELAY:** The contractor shall not be liable for any excess costs if the failure to perform the contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the fault of a subcontractor, and if such default arises out of control of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required delivery schedule.
4. The offeror must assume that any purchase, responsibility, insurance, and action or activity which is necessary for the satisfactory operation of the services requested in the invitation to proposal, but which is not specifically designated as an Aiken County responsibility, is a responsibility of the Contractor's operation, and the offeror shall include these in the response to this proposal accordingly.

**PROPOSAL PROCEDURES MUST COMPLY WITH THE PROVISIONS OF THE AIKEN COUNTY  
PROCUREMENT ORDINANCE**
